Academic Contract

Dear Parent/Guardian:

Our records indicate that your child is two or more years behind academically. Statistics show that students who fall behind academically are at risk for eventually dropping out of school. The purpose of this contract is to offer your child an opportunity to recover one of those years and get back on track toward receiving a high school diploma.

For the upcoming year, your child will be conditionally placed in _____ grade and will remain in that grade as long as he/she meets **each** of the following requirements:

1. Your child must earn at least a 1.5 grade point average on his/her report card each marking period.
2. Your child must pass each course attempted each marking period. (F's or U's are not permitted.)
3. Your child is not allowed any suspensions this year. (Suspensions include in-school suspensions, out of school suspensions, and suspensions until parent returns.)
4. Your child must meet the state's attendance requirement.
5. Other requirements:

Please understand that if any of the requirements listed above is violated or not fulfilled, your child will be returned to the grade level below the one stated in paragraph two. Tutoring is strongly suggested if your child experiences difficulty in any subject. Students are urged to participate in class, complete all assignments, study and review material when not in class, and seek additional help from his/her teachers. Parents are strongly encouraged to remain in contact with their child's teachers throughout the school year.

My signature below indicates that I have read and understand each part of the contract stated above.
